

BUILDING ON OUR COMMUNITY

Presented by the Cincinnati Community ToolBank.

Event Description:

*As the very fabric of our community, our region's contractors have continually led the path to building both infrastructure and stronger and healthier communities. In keeping with this philanthropic spirit, The Cincinnati Community ToolBank is hosting Greater Cincinnati's 3rd Annual "Building on Our Community" on **September 23, 2017**. Building on Our Community is a 1-day, hands-on volunteering event, with local contractors and their employees assisting selected local non-profit organizations. This event will help inspire others to volunteer in our community to make it a better place to live, work, and play.*

Who is the Cincinnati Community ToolBank?

The Cincinnati Community ToolBank is a nonprofit organization that equips non-profits and their volunteers with Tools for Change. We lend tools to local charitable and community organizations to empower their volunteers to complete larger and more frequent projects that can increase their impact on the community. The Cincinnati Community ToolBank also enables these organizations to save funds that can be utilized to support their own missions.

Why should you be involved in this event?

- **Relationship Building:** Each contractor and their employees will have the opportunity to cultivate deeper relationships, getting to know each other a little better while working side-by-side on a service project helping to improve our community.
- **Team Building:** Each volunteer will work collaboratively during a hands-on volunteering event that will foster team building and strengthen their internal leadership.
- **Public Relations:** We will be partnering with local media outlets to get significant coverage of the event. The volunteer event, including an appreciation after-party, will be positioned and messaged as the local contractors are collectively thanking the community in which they work and live. The event will also highlight the contractors commitment and investment in the communities.

Join the Event:

*The coordination of the project, tools, materials, and after-party will be fully managed and hosted by the Cincinnati Community ToolBank. **In order to become part of this event, your company has 2 options:***

- **Hammer Level:** Make an investment of \$2,000 to the Cincinnati Community ToolBank in support of the event. Select 5-10 employees that will be participating.
- **Ladder Level:** Make an investment of \$5,000 to the Cincinnati Community ToolBank in support of the event. Select 10-20 employees that will be participating.

BUILDING ON OUR COMMUNITY

Presented by the Cincinnati Community ToolBank.
