FRANKLY SPEAKING

A MESSAGE FROM PASTOR FRANK

I know we have all heard the common lament that in the United States, our churches are aging. We have heard neighbors, friends, and relatives worry that their church is an “aging church.” And, we have noticed that many churches, including ours, are taking bold steps to make their church “younger.”

I noticed a poster on Facebook the other day that spoke volumes to me, and I hope it will for you, too. Yes, like many other churches, our church is aging. **HOWEVER**, this is not a problem. It’s an opportunity. How blessed we are as a church to have among us many people with a vast richness of life experience from which to draw and to learn.

There's a difference between
an aging church
and
an age-friendly church

We are going to take intentional steps to be sure that our congregation is “Age Friendly,” starting with two approaches.

- (1) Celebrate and include the seniors we already know and love and are already a part of our church.
 - a. to be sure they feel included and invited, and
 - b. that they know their voice is heard.
- (2) Outreach to our senior neighbors who do not currently have a church home
 - a. To offer them a place of worship, Sunday school, Bible study, missions, etc.
 - b. To offer them help, assistance, comfort, company.

Most of this, I confess, is just some brainstorming from your pastor’s desk, and if it were left up to me alone, it would be a mess. I invite all of us to a time of prayer to consider how we might be a part of this ministry. If this is something in which you would like to be involved, please call me. Our program and pastoral staff are already working on some exciting new ideas for this fall. Maybe you have some exciting ideas too! If so, bring them to me or any of our staff. Your idea might just be the one that changes somebody’s life!

See you Sunday!
Frank

DIVERSITY & OUTREACH

Ministry Safe Party

Please join us for a Ministry Safe party immediately following the 10:45 worship October 21. Any adult who might possibly spend time with kids or youth during the next two years is highly encouraged to attend, even if you're not currently in ministry with kids or youth. If there's even a slight chance you might want to go on mission trip, would possibly be willing to fill in when another adult is needed for Sunday school or a special event, this party is for you! We'll have pizza, watch a video about keeping children safe, answer questions, and show you how to take the online quiz. If you can fill out a background check form in advance, you could be certified by the time you leave the party. Background check forms available in the welcome center. Please turn them in to the church office by October 17.

Help Wanted! Difference Makers

Shelly is asking for people to help start Difference Makers at FUMC Sachse. We need adults who are available after school to work with children, sharing God's love with them while also empowering them to do hands-on mission work. Even if you aren't available after school, we need your creativity, knowledge of the community's needs, and whatever your God-given talents are. If you are willing to make phone calls, solicit donations, do woodworking, prepare snacks, shop, make crafts, help prepare supplies, distribute fliers -- anything! -- God can use you in this ministry.

Please join Shelly for brainstorming and to find out more at 8:30 a.m. Tuesday, Oct. 2, at Starbuck's, 4280 Lavon Dr., Garland, or at 5:30 Wednesday, Oct. 3, at the church. If

you are interested or just curious but can't make either of these get-togethers, contact Shelly at 214-763-0332 or outreach@sachsefirst.net.
