

Dear Friends,

*It was wonderful to visit Scotland and see the beauty of God's creation and visit some places that are historic to the Reformation and the Presbyterian Church, but I am glad to be back home. There is a lot going on at Nazareth Presbyterian. Plans are under way for new opportunities for discipleship in the Fall and returning activities that were on a break for the summer are moving into place.*

*One thing that I am excited about is the idea of a Young Adult Spiritual Formation class. This would be a class for those that are 40ish and under and **MAY OR MAY NOT** take place on Sunday morning during the Sunday School hour. If you fall into this growing group in our church, mark your calendars for Sept. 10<sup>th</sup> at 9:30 in the Fellowship Hall. I will meet with you to discuss ideas, the best time and other details about how our Young Adults would like to grow in faith and service.*

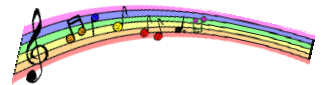

*I have enjoyed preaching through the Parables this summer but the Holy Spirit has called me to move on. Please read Genesis 45:1-15 in preparation for Sunday.*

*Blessings,  
Julie*
