

Dear Friends,

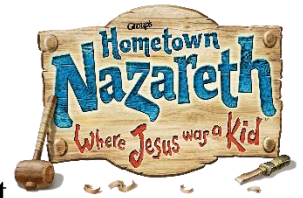

I used to think my mother was just silly when she would exclaim, "I know why God gives babies to young people!" Now, on our 5th day at the beach with a 2 and a 4-year old, and at the age of 58, I understand! Perspective!! Today we found a large shark's tooth, saw a kite and a helicopter. We also have a lawnmower that blows bubbles - the best \$15 I ever spent! It is a wonder to see the world through young eyes! Although truth be told, I am more of a mountain girl, the beach always causes me to marvel at creation! "The earth is the LORD's, and the fulness thereof; the world, and they that dwell therein." Psalm 24:1

I will be back in the office Monday and we are blessed that DJ Wall will teach joint Sunday School and that the Rev. Rex Keaton, Debby's husband, will preach on Sunday. Please come and worship and welcome Rex and Debby.

*Blessings,
Julie*
