

*Dear Friends,*

*Our Security Team has been hard at work and our new entry system is in place and will be fully operational by October 2. Four digit codes have been assigned to all staff, Session, Youth Leaders and Vendors as well as some folks who regularly come in during off hours. The system will work best if everyone enters through the door nearest the office, therefore we are asking that ALL MEMBERS WHO HAVE METAL KEYS TO ANY DOOR IN THE MAIN BUILDING please turn those in to Debby. This will not affect keys to the Family Life Center. If you feel you need an access code and have not been contacted about having one, just call Debby and she will work things out.*

*Also, please remember that we will be taking contributions for Hurricane Relief through Oct. 8. Please make your check to the church and note "Hurricane Relief" on the memo. The Mission Committee will match what we collect and send it to Presbyterian Disaster Relief.*

*Blessings,*

*Julie*
