Schedules

We will distribute watermarked “official” student schedules at orientation. It is important to understand that student schedules were built with careful thought and consideration with regards to academy pathway courses, A-G graduation requirements, college preparation and of course elective choices. Last year, we allowed all student to view their schedules and meet with counselors. This allowed for students to review their schedules and make necessary changes. With that said, student schedules will only be changed for the following reasons:

- Hole in schedule (missing a period)
- Double-booked class
- Already took and passed a course
- Incorrect leveling of course
- New enrollees
- Enrolling into Band or Orchestra

Clairemont counselors will only make schedule changes for student who have one of the above legitimate scheduling issues. .

Counselor contact information:

ARC (After School Permission Slips)

Clairemont offers a variety of after school activities, clubs, and credit recovery classes. In order for students to participate, families must submit the permission slip. We are asking that families fill out the permission slip and bring to registration days in August. Click on this [link](#) to access form.

Lunch Application

It is important that ALL families fill out a lunch application form prior to registration dates. The link to fill out the application is <https://www.myschoolapps.com/Application>.

Music Courses

Music is alive at CHS and will be offered during the 2017-2018, periods to be determined as this will only be a part-time position. You may enroll in the course during registration. Marching Band will continue to be an after school program and all are welcome to participate. If interested in participating in Marching Band please bring the ARC after school permission form and sign up during registration.
