INTERNATIONAL HONORARY ORGANIZATION FOR WOMEN EDUCATORS

Volume 2, Issue 1 SOUTHWEST REGION NEWSLETTER October 2016

Greetings from the International Vice President - SWR

Happy Alpha Delta Kappa Month! I hope you have a chance to celebrate our Founders with vision: Agnes, Marie, Marion, and Hattie. If you get an opportunity to step outside of your chapter to attend a District celebration, even better!

The **2016 Joint NW/SW Regional Conference** in Santa Ana Pueblo, NM was a wonderful success according to the evaluations and comments I have received. Thank you for participating in that opportunity to connect with NW/SW sisters from 13 states and Australia, as well as visiting International Chapter members and out-of-region members and guests. I would like to publicly thank the entire NW/SW Conference teams and the regional officers for their excellent work in providing a rewarding experience at the Joint Conference!

Furthermore, by attending the Joint Regional Conference, 73 Southwest chapters earned a “Pearl” for their chapter towards the **Pearls of Achievement Award**. Maybe your chapter will be one of the seven pearl chapters awarded next summer? In general, the Pearls of Achievement Award assesses the health and vitality of the chapter. Of course, positive chapter net growth in membership and other items like the Chapter Needs Assessment and the IRS Form 990N e-Postcard (both due this month) are essential. Reach out to those worthy educators you come in contact with and invite them to a meeting and possibly join our organization. Rewards overflow by expanding our membership. Just think of the good works we can accomplish together!

Many states, provinces, and nations in our organization have been devastated by the floods, hurricanes, and fires that have occurred these past months. Consider a donation to the **Alpha Delta Kappa Foundation**. You can write “disaster relief” on the memo line of a check, or in the online donation form, to help those sisters that are suffering consequences, long past the headlines in the news.

Opportunities for travel through Alpha Delta Kappa abound. The **International Teacher Education (ITE) Weekend** will take place at Headquarters November 11-12. Also, set your sights for the **30th International Convention** in New Orleans, LA, July 12-15, 2017. Hotel registrations will open January 4, 2017, at the Hilton New Orleans Riverside. “Let the good times roll!”

ALTRUISM - MAKING A DIFFERENCE!

Thank you Southwest sisters for being a part of the altruism project for our NW/SW Regional! Please read this excerpt from Albuquerque Public Schools for their personal thank you.

Dear Friends,

We would like to thank you for your kind and generous donation. Your donation of **\$6,952.00** to the **Albuquerque Public Schools Title I Homeless Project** on August 1st is greatly appreciated.

Your gift will provide school supplies, school uniforms, hygiene products, underwear and socks, and non-perishable food for homeless children and youth in Albuquerque's schools. These practical items give our students the means and motivation to stay in school and succeed. This, in turn, helps break the cycle of homelessness in our community. You are truly making a difference.

Sincerely yours ... Patrick Scott, Liaison, Title I Homeless Project

NATURAL DISASTER RELIEF NEEDED

Recently we have been experiencing more and more natural disasters across this country. Many of them are endangering our sisters and the communities where they live. There have been floods in Louisiana and North Carolina recently as well as in Maryland and West Virginia this summer plus the fires in California.

What can we do? The AΔK Foundation has a line item in its budget for disaster relief. Donations can be sent to HQ written to the AΔK Foundation and you can indicate on the subject/memo line “disaster relief” or more specifically to a S/P/N (ex: Louisiana flooding). When it is specific to a S/P/N, those monies will be sent to the S/P/N treasurer and that S/P/N Disaster Relief Committee will decide how to distribute the funds. Your donation is tax deductible and you will receive a donation statement for tax purposes in February.

A note about membership badges lost in natural disasters: If chapters have extra badges in their badge banks, please send them to International Headquarters (1615 W 92nd St, Kansas City, MO 64114) with a personal note to a sister who may have lost hers in a disaster, and we will see that they are appropriately distributed. Thank you so much! Executive Director Laura C. Bourgeois

SW INTERNATIONAL TEACHER EDUCATION NEWS

SVETLANA "LANA" VIKHNEVICH (Russia)

My summer stay in Russia was very short (May 10-19), however, very productive. I spent several days with my boyfriend in Moscow. We went to an interesting exposition where we took many pictures. After several days in Moscow we flew to Sochi to see my parents. Such a great time together!

My time in D.C. was exceptional! I had an interesting internship at the Department of Education with many learning opportunities. Moreover, I had a chance to see and do things that I have never done before.

I celebrated my birthday at a Russian restaurant named Maria Vanna. I went to Phantom of the Opera at the Kennedy Center. I volunteered at a Petco pet shop and donated blood for the first time. I also attended my first American football game and rode a Segway to visit the Washington, D.C. memorials.

I am very happy to return to Flagstaff and Northern Arizona University for my final year of my Master's degree. I had such a great summer!

My address is: 516 S. Agassiz St., Apt. #1, Flagstaff, AZ 86001. svv9@nau.edu.

ELISA "ELI" UGARTE (Chile)

During my summer, I won a fellowship to conduct field-work in Latin America and I went back to my low-income school district and worked with three schools, interviewing mothers and school administrators about the relationships between family and schools, the mother's goals for their kids and the routines they engaged in with them. I'm transcribing the interviews and they will be part of my master thesis that I have to finish by May 2017.

L-R: Eli, her sister Sofia and her mom, Yoya.

I'm very excited this semester because I'm learning and researching on two exciting areas. On one hand, I'm learning about stress, coping and resilience in adults and children and trying to connect it to the work done with the mothers back in Chile. On the other hand, I'm learning about the science of emotion with Dacher Keltner, the researcher behind *Inside Out*! I'm connecting this work to another course on psychosocial development and learning and to my research on SEL program implementation.

My address is: 675 Kula Gulfway, #202, Albany CA 94706. Eli.ugarte@gmail.com.

DUES UPDATE: After careful consideration, the International Executive Board has decided to increase our annual dues by \$5.
