BROWN BAG LUNCH

MANAGING YOUR NON-PROFIT ORGANIZATION

THURSDAY, OCTOBER 19, 12 – 1 PM

The financial management of a non-profit organization is the responsibility of the entire board of directors, even when they are volunteers! Learn the basic skills to manage and track funds, online accounts, and legal obligations to maintain your organization's tax-exempt status and other considerations. Recommended for all elected officers and board members of non-profit volunteer organizations. While some of the material will speak specifically to requirements for PTAs, most of the information presented applies to any non-profit organization in Washington.

This presentation fulfills the WSPTA training requirement, but is open to all non-profit volunteer organizations.
