Introduction to Clubs

Clubs at BISC Lincoln Park are a great way to extend your child's exploration and learning beyond the regular school day. Outside of their classroom, they'll have a chance to collaborate with other students of different ages and also to delve deeper into the topics that interest them. We offer a wide variety of clubs to satisfy all our students' curious minds!

What should I bring to club?

Students going to club should come to school prepared with a snack to eat after school before club activities. In addition, some clubs (such as clubs with athletic activities) may require a PE kit or other comfortable clothing. Check each club's description in the [club index \(page 11\)](#) for specific details on what to bring when your student attends.

How do I register?

Our open registration period allows parents and students plenty of time to peruse the club options available and sign up based on their interests and schedule. At the end of the open registration period, we will determine if each club has sufficient enrollment to continue for the term. If the number of students enrolled is insufficient to run a club, any students who may have registered for that club will be notified.

Open Registration: www.bischicagolp.org/clubs

December 9, 7:00 p.m. - December 23, 7:00 p.m.

***Late registration fee is \$25**

***Please note:** While we are able to accommodate students who decide to register after the deadline, space cannot be guaranteed after the end of the open registration period.

The fee for late registration is \$25. This fee is for processing a late registration form for any club(s) regardless of the cost of the club(s).

Club Schedule

Activities will take place on every full day of school unless you are otherwise notified upon registration. A full schedule of club dates as well as any cancellation announcements can be found at www.bischicagolp.org/clubs.

Morning Clubs	
Drop-off (varies by club)	Dance: 7:15 a.m. Athletics: 7:30 a.m. Music: 7:45 a.m.
Club Ends	8:15 a.m. - students go to classrooms for school day
Afternoon Clubs	
Club Snack Time	3:30 p.m.
Club Starts	3:45 p.m.
Club Ends	4:45 p.m. - pick up begins in designated locations - Teacher-led clubs: garage - External provider-led clubs: club location

Please note that students are expected to regularly attend the full duration of club time. BISC Lincoln Park reserves the right to discontinue enrollment if student attendance does not meet these expectations.

Reception clubs continued on next page.

iPAD MICE

Children are growing up with more technology than ever, and it's up to us to help them understand the many safe and wonderful ways it can be used, especially for learning. In this club, children will develop their technological skills and motor skills using the latest programs and apps on iPads.

NUMBER FUN

In this club, we'll find out just how fun numbers can be! Students will explore number games, puzzles, and other activities.

SCIENCE CLUB

Our young students are to become scientists! They will ask questions, plan and perform their own investigations, present their results and make careful conclusions. Children will get to use a range of scientific equipment as they explore the world around them.

<p>iPADS CLUB</p> <p>Children will develop their technological skills exploring different programs and apps on iPads.</p>	

Year 1 clubs continued on next page.

MATH SPORTS

Sports and math are a natural connection - you can't have a game without numbers! In this club, students will hone their math skills while talking through problems. Sports are an easy way to turn abstract math into something measurable and tangible.

PERFORMING ARTS CLUB (KS1)

In Performing Arts Club, children will learn through a combination of singing, drama, and dance activities to develop performing skills as well as self-confidence.

ROBOTICS CLUB (KS1)

In this club children will learn about the history of robotics, from their humble beginnings to modern day. They will investigate how robots are used in everyday life and their potential for the future. This hands on club will have children programming, designing and building robots from a variety of materials; a must for any STEAM enthusiast!

**SCIENCE WITH HIGH TOUCH HIGH TECH

High Touch High Tech is a science field trip that transforms your classroom into a Living Laboratory - the place where we learn by doing! Learn more at www.sciencemadefunchi.net

Term Cost

Mon. - \$270

Thu. - \$360

A.M. SOCCER SKILLS - Club is held from 7:30am-8:15am. Students arrive early to school and will go to class directly after club activities.

Games of soccer organized by Amy Davidson and other staff members as a part of our Athletics program.

Please e-mail amy.davidson@bischicagolp.org with any questions. Wear: Comfortable play clothes.

SPEED STACKING

Speed stacking (also known as cup stacking) is an individual and team game that involves stacking plastic cups in specific sequences in as little time as possible. Research confirms that stacking improves hand-eye coordination and reaction time. It is also a lot of fun!

STEAM CLUB (KS1)

The BISCLP STEAM club aims to help children learn to take risks, make mistakes and get messy. Through taking part in a project based learning club the children will learn how to develop grit and resilience. STEAM takes the key areas of Science Technology Engineering and Math and adds the Arts into the mix in order to creatively solve problems. Each week the children will work on a science, technology, engineering, art or math project and be encouraged to persevere and understand that FAIL-ing is just a First Attempt In Learning.

A.M. STRINGS ENSEMBLE - Club is held from 7:45am-8:25am. Students arrive early to school and will go to class directly after club.

Club listed to assist with your scheduling needs. Not available for sign-up at open registration. This club is invite-only. Please contact Anna Ostler at anna.ostler@bischicagolp.org with any questions about the string ensemble program.

**TAEKWONDO WITH REVOLUTION TAEKWONDO (BEGINNER) - Bring: Comfortable play clothes or Taekwondo uniform, available for purchase for \$50. Revolution Taekwondo Training Center is a family-oriented martial arts training facility dedicated in helping individuals attain goals through the art/sport of Taekwondo. Learn more at www.revolutiontkd.com.

Term Cost

Mon. - \$240

Tue. - \$330

TRADITIONAL GAMES

Children will learn how to play traditional board games and playground games that develop a sense of fair play, cooperation skills and strategic thinking.

End of Year 1 clubs.

Wear: A PE kit or other comfortable clothing.</p>	

STORYTELLING CLUB

We tell stories all the time, often without realizing it. We talk to our friends, our family and our teachers about events and activities in our lives, we often notice and comment on people and places around us and we describe how we feel in certain situations. In this club, we will learn how to improve our storytelling skills to entertain our audience, and we will begin to think about how we can use these techniques to improve our writing.

NEW!
