

A young boy with short brown hair, wearing a grey hoodie with a blue and green striped collar, is focused on a chessboard. He is reaching out with his right hand to move a white pawn. The chessboard is set up with black pieces on the top half and white pieces on the bottom half. The background is blurred, showing other children and classroom elements.

Let's keep  
having fun!

# Summer Clubs Autumn 2017

# Introduction to Clubs

Clubs at the British International School are a great way to extend your child's exploration and learning beyond the regular school day. Outside of their classroom, they'll have a chance to collaborate with other students of different ages as well as a chance to delve deeper into the topics that interest them. We offer a wide variety of clubs to satisfy all of our students' curious minds!

## What should I bring to club?

Students going to club should come to school prepared with a snack to eat after school before club activities. In addition, some clubs (such as clubs with sport activities) may require a PE kit or other comfortable clothing. Check each club's description on the [clubs registration site](#) for specific details on what to bring when your student attends.

## This sounds brilliant! How do I register?

Our open registration period allows parents and students plenty of time to peruse the club options available and sign up based on their interests and their schedule. At the end of the open registration period, we will determine if each club has sufficient enrollment to continue for the term. If the number of students enrolled is insufficient to run a club, any students who registered for that club will be notified.

**Please note:** While we are able to accommodate students who decide to register after the deadline, space cannot be guaranteed after the end of the open registration period.

**The fee for late registration is \$25.**

**Open Registration:** [www.bischicagolp.org/clubs](http://www.bischicagolp.org/clubs)

**August 14 (7pm) - August 25 (7pm)**

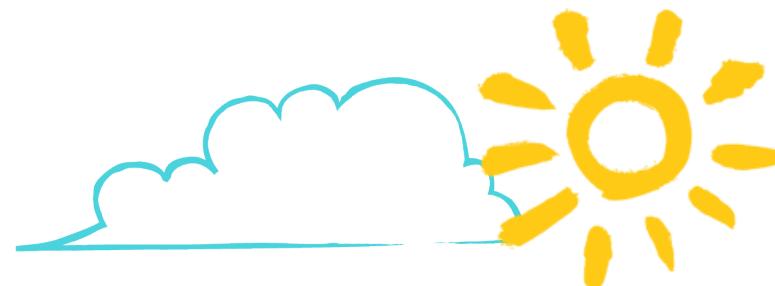

## Club Schedule

Activities will take place on every full day of school unless you are otherwise notified upon registration.

Afternoon Clubs	
<b>Club Snack Time</b>	3:30pm
<b>Club Starts</b>	3:45pm
<b>Club Ends</b>	4:45pm - pick up begins in designated locations - <b>Teacher-led clubs:</b> garage - <b>External provider clubs:</b> club room (check signs at the front desk for room numbers)
Extended Day Clubs	
<b>Extended Day Clubs</b> include all clubs that go beyond the above schedule. This includes AM clubs as well as a section of clubs called "Active After Care," which is an additional section of activities for children staying at school later than 4:45pm.
