

# Club Index

In the following pages, you will find descriptions and pricing information for each of the clubs that we provide, listed alphabetically by club title. Clubs that are run by a paid provider will also include a link to that provider's website where you can further explore their program.

A	
<a href="#">ADVANCED COMPUTER GAME DESIGN WITH SCRATCH – CODE PLAY LEARN</a> Using MIT's Scratch programming platform, students will create their own interactive media, including stories, games and animations. During our project based curriculum students will learn fundamental coding concepts including loops, decision statements, variables, mathematical operators, Boolean logic, events and more. Each child will become a maker with technology rather than just a user of technology. By incorporating interpersonal play with screen time each child develop his or her ability to think creatively, work collaboratively and reason systematically. This class is designed for students who have used Scratch before.	
<a href="#">AMAZING ARTISTS</a> Learning about different artists from around the world. Creating our own masterpieces in the style of the famous artists.	
<a href="#">AROUND THE WORLD</a> This club is your ticket to the world! You will explore new countries and cultures through arts, crafts and stories.	
<a href="#">ASTRONOMY WITH THE CHICAGO ASTRONOMER</a> Explore the cosmos with Chicago Astronomer Joe Guzman and examine the infinite wonder that is our universe!	<a href="#">Term Cost</a> Wed. - \$315 Thu. - \$385
B	
<a href="#">“BITS” WOODWORKING WITH BITSPLACE</a> A next-generation shop class for budding young makers and creative problem solvers. Students participate in hands-on design and construction projects utilizing a combination of hand tools and small power tools to craft things from real materials.	<a href="#">Term Cost</a> \$240
<a href="#">BOLLYWOOD GROOVE (PRESENTED BY STUDIO 814)</a> Our Bollywood Groove class offers kids an interactive vehicle to teach language, culture, and history of India through dance. In this class, children learn about rich culture while growing into strong dancers with coordination, posture, grace, and other movement fundamentals. <i>Bring: Comfortable clothing.</i>	<a href="#">Term Cost</a> \$198

# Club Index

## BOOKWORMS

Come and join us, where we will curl up and share our favorite books and stories. We will also complete a range of different and fun activities related to the story!
