

BRITISH INTERNATIONAL SCHOOL OF CHICAGO, LINCOLN PARK

A NORD ANGLIA EDUCATION SCHOOL

2019-20 Dining Program – Lincoln Park

Below is an overview of the dining program for the Lincoln Park campus. If you have any questions, please contact Lauren Park, Food Service Director for BISC, at lpark@questfms.com

How can I order meals?

You will be able to order meals through a website called My Meal Order www.mymealorder.com, starting August 5, 2019.

How far in advance do I need to order meals?

Please place your meal order one (1) week in advance (end of day Sunday for the following week). Two or three entrees will be offered each day, as well as deli and a la carte items. Quest encourages you to select meals to ensure favorable choices.

What if I forget to order by the deadline?

Simply email your site manager Lauren Park at lpark@questfms.com and indicate your meal preference, so Quest can accommodate it for you. If your student asks for a meal and you've not ordered, Quest will feed them based on their allergen profile and contact you directly at the end of the day to arrange payment.

How do I pay for meals?

You will have two payment options:

- You can pay for the entire year via check for a reduced amount of \$1248.00 made payable to BISC-LP. The cost of this per meal is \$7

OR

- You can pay for meals one term at a time or as you go, by debit or credit card, through the My Meal Order website. The cost of meals is \$7.28 per day.
