Oak Crossing, a business park development located in South Lake Charles, has hired Jordan Craft as special events coordinator. She has extensive experience in event planning and management, gained from working for the American Cancer Society and the Vernon Parish Tourism Commission. In her new role with Oak Crossing, Craft will be the primary point of contact for scheduling and booking events for Oak Crossing's two new venues, The Gazebo, an outdoor lighted pavilion, and The TreeHouse, a 4,200-square-foot indoor event center. Craft will provide assistance and resources for all event venue clients, from planning details through on-site coordination. She will also plan and coordinate a variety of special events hosted by Oak Crossing. Oak Crossing is located at 5656 Nelson Rd. in Lake Charles, and is home to 12 businesses, including dining, professional services and event venues. For more information on Oak Crossing or event venues, call (337) 421-6200 or visit [oakcrossing.net](http://oakcrossing.net).
