November 17th-19th 2017

You will be able to ride the lovely Lusitanos of Arte Ecuestre and enjoy lessons with the internationally claimed Trainer and Judge, Doina Fischer.

The farm is beautifully located in midst of the hills above Málaga.

Only 30 min from the beach and Malaga airport.

You will stay at the traditional Andalusian village of Alhaurín El Grande, which is only a short drive from the farm, or directly at the farm.

First you spend the days admiring the beautiful PRE, at the biggest PRE show SICAB then you spend 3 days riding well trained Lusitanos and learn all about Working Equitation.

This is a unique opportunity to learn about the breeds of the Iberian Peninsula, seeing and riding the wonderful PRE and Lusitanos in the Spanish culture

All horses are educated in Classical Dressage Riding level minimum training level. Walk, trot, canter up to advanced, the horses will be assigned to your level.

You will have the opportunity to finally ride the side pass smooth and easy, do flying changes between the barrels and slalom. Work on your own riding in your private lesson.
