

HENRY DIRCKX, AUGUST 18, 2018

Henry Dirckx, son of Rena and Kent Dirckx, will enter 7th grade this fall at Green Acres School, in North Bethesda, Maryland.

For his *Tikkun Olam* project, Henry is volunteering at Growing Together, an organization that tutors elementary school-age children, who do not have access to professional tutors and would benefit from academic support. Henry works one-on-one with a kindergartener in reading, writing, and math.

Henry's special interests include playing the drums, soccer, and baseball and spending time with his two cats, Penelope and Dumbo.
