

Do you want to learn:

- ... the importance of site preparation?
- ... artificial regeneration?
- ... natural regeneration?
- ... mixed species and wildlife concerns?

Individuals who require special accommodations to participate should contact the Madison County Extension Office to make their request prior to the program. Contact should be timely to ensure appropriate accommodation.

You are encouraged to become a member of the Madison County Forestry Association. Its purpose is to promote, develop, and protect the forest and natural resources for the best interest of present and future generations.
