You Make It Happen!

Your Used Gear = \$\$\$ for The RDGA youth golf program!

The Rochester District Golf Association Foundation Inc. is raising money for its ForeSight Program to promote and support Junior & High School Golf – and YOU can help!

We are accepting donations at our store from Friday, May 5 to Sunday, May 7. Bring in all the current, quality used golf and sports equipment you are no longer using to Play It Again Sports Henrietta – and be sure to let them know you are donating your items in the name of the RDGA to support local junior golf.

The proceeds from your equipment donation will go to support local junior & high school golfers participating in the RDGA's ForeSight program.

You'll be provided with a receipt for your tax deductible donation. You can also use the coupon below for a discount on your next purchase!

Thanks for supporting the
Rochester District Golf Association!
