BUILDING A TEAM

Promotion Bonuses

As your team grows you advance up the career plan.

Beginning with the Bronze Ambassador title, you will earn a **cash** promotion bonus the first time you advance to a new title. The lowest amount earned will be the promotion. These bonuses are paid out 4-6 weeks after you qualify each time you maintain the requirements for your new title.

For example, when you promote to a Silver Ambassador for the first time, you'll earn a \$100 promotion bonus, which is paid out a season (minimum of 125K sales) after you maintain the requirements for your new title.

3%

Make a significant impact who you work with (those you personally recruit).

When you sell \$50 or more in a campaign, you'll earn the 3% sponsoring bonus on the Net Retail Sales of all Representatives who personally sponsored. This is paid in addition to any other bonuses you may be earning on those sales.
