

Helping families  
build strength,  
stability and  
self-reliance  
through shelter.

Are you interested in putting your leadership skills to good use?

**Habitat for Humanity of Ontario County  
is currently seeking skilled construction  
volunteers to crew lead our next build.**

We are looking for people to help out on our next build in Clifton Springs. Assist with specific hands-on construction tasks and provide leadership, guidance and motivation to our volunteer team this fall.

Don't have a background in Construction? Please consider providing food for our hardworking volunteers!
