OCALA PREMIER GAINESVILLE SOCCER ALLIANCE

Letter from the Directors

Dear Ocala Premier & Gainesville Soccer Alliance Parents and Players,

We are pleased to announce a new partnership initiative between both clubs called 'Central United Florida' (CFU) which will begin with tryouts in January 2018! This partnership has been forged to build and support both programs and ultimately offer the 'next level' for all of our players to strive towards. Our aim with CFU is to create 'all-star' teams comprising of players from both clubs who will represent us at high level tournaments both in and out of State under the partnership name Central Florida United. CFU will enable OPS & GSA to create a pathway that will allow our top players to work together for the common goal to play at the highest level possible. By creating this elite platform, CFU will ensure players are constantly challenged and player development is accomplished which is paramount to long term soccer success!

What does this mean to our existing teams and players?

Nothing will change to the individual clubs. OPS & GSA will still maintain their own teams and programs. CFU is simply providing something 'more' for our players to strive towards. All-star teams which will only play at selected tournaments, take part in training events and be represented by the best that each club has to offer.

What will this be called since both clubs are involved?

We will be CFU (Central Florida United); we will run this program through US club soccer, as our other programs run through FYSA and USYSA.

How does my child make one of these teams?

We will be holding an Evaluation Day Event on Sunday January 28th (All info below). The Evaluation process will consist of coaching staff selected from both clubs as well as a coaching committee who will be in charge of selecting the final teams.

What age groups are we doing?

We are in constant evaluation of our programs and have decided to begin CFU with the following targeted age groups.

Boys: 2008 Blue, 2007 Blue, 2005 Blue, 2004 & 2002.

Girls: 2007 & 2004.

Cost:

\$225 Per/Player

This fee will cover the cost of the CFU Uniform Package, Tournament Entry and all related team coaching fee's.

Commitment:

CFU requires each player to attend the following training dates:

Feb 11th @ (OPS)

March 11th (GSA)

April 15th (OPS)

May 13th (GSA)

We will be taking the selected CFU teams to an out of state tournament to be held in Atlanta, Georgia on the weekend of May 19th/20th 2018.

Sincerely

Matt Weston: Ocala Premier DOC
