

## ABOUT THE FAITH AND FREEDOM COALITION

The New York Faith and Freedom Coalition is a fellowship of believers who take the Biblical mandate to “be the salt of the earth and the light of the world” seriously, and are committed to being faithful in our stewardship of the God-given gift of liberty.

We believe that the greatness of America lies not in the federal government but in the character of our people — the simple virtues of faith, hard work, marriage, family, personal responsibility, and helping the least among us. If we lose sight of these values, America will cease to be great.

Never before has it been more critical for us to speak out for these values. That is why the Faith and Freedom Coalition is committed to educating, equipping, and mobilizing people of faith and like-minded individuals to be effective citizens. Together we will influence public policy and enact legislation that strengthens families, promotes time-honored values, protects the dignity of life and marriage, lowers the tax burden on small business and families, and requires government to tighten its belt and live within its means.

We invite you to join us at our monthly meetings in Newburgh, NY to worship God, learn about the issues of the day, and pray for our leaders at every level of government.

We are a state affiliate of the Faith and Freedom Coalition of America and a ministry of Marriage & Family Savers Institute, a 501C-3 Educational Charity. If you have any other questions or concerns feel free to call or email.
