Pye Legal Group is an award-winning, boutique executive legal search firm. We provide the personal attention of a small firm but also offer access to top caliber candidates rivaling any large national competitor. With our years of experience operating on a regional and national level, we have developed a deep network of top talent. We routinely handle searches in all practice areas for leading corporations and law firms in need of lawyers, paralegals, and other legal professionals, including compliance and risk managers.

Our expertise includes permanent, and contract placements. Although we are located in Texas, we have experience placing legal professionals nationally, as well as internationally.
