KPMG is a global network of professional member firms providing Audit, Tax, and Advisory services. We have 140,000 outstanding professionals working together to deliver value in 146 countries worldwide.

KPMG ForensicSM is a global practice comprising multidisciplinary professionals from member firms of KPMG International that assist clients in achieving the highest levels of business integrity through the prevention, detection, and investigation of

fraud and misconduct and by avoiding and resolving disputes. Our professionals not only help clients discover the facts underlying concerns about fraud and misconduct, but they also assist our clients in assessing and mitigating the vulnerabilities to such activities. We also deliver a broad range of services to help prevent and resolve commercial disputes including the assessment of damages; the resolution of accounting, audit, and finance-related issues; and expert witness services.
