**Dairyland Games 2017**
May 5-7, 2017
Middleton High School
2100 Bristol Street
Middleton, WI 53562

The Dairyland Games are the first and only regional event in WI allowing athletes with physical and visual disabilities to qualify for the Adaptive Sports USA Junior Nationals. The games were originally created to provide an opportunity for local WI athletes to compete in Junior Nationals when it came to Middleton in 2016, but the ultimate goal is to increase awareness and availability of adaptive sports everywhere.

This year we will have both a junior division (7-22) that can qualify for Nationals and an adult division (23 and older).

Events: Swimming, Archery and Track and Field
