

FALL INTO SCOUTING!

Wabash Valley

2017

Cary Camp
September 23, 2017 Check in @8am

Fall into Scouting is the Wabash Valley District's way of starting the new school year off right. All new and returning Cub Scouts, leaders, and parents are encouraged to come out and enjoy the excitement! Cub Scouts will get to visit the most popular areas of Cary Camp. The Fall Into Scouting event only includes the day of activities. If a unit wants to camp they should fill out the normal camp reservation form, and cover the fees associated with it outside of this event.

We will have a wide range of activities including archery, shooting sports, rocket launch, crafts, and much more.

The cost is only \$8 for Scouts registered and paid on Campmaster by Sept. 8th at 5pm, \$12 after Sept. 8th. Scouts will receive the ability to participate in all events, a patch, and lunch. Tag Alongs and parents will be able to attend for \$3 if registered by Sept. 8th, \$5 after and will receive lunch. Additional rockets may be ordered on Campmaster, and will be available for pickup at check in. **Everyone must be registered on Campmaster prior to arriving at the event**, final deadline is September 20th at 5pm! Since parents, leaders, and tag alongs will be receiving meals, they must register as well.
