

Introducing the Bose S1 Pro Multi-Position PA System

Sound like a Pro. Anywhere. Anytime.

Sound great anywhere with the Bose S1 Pro Multi-Position PA system. Designed for musicians, DJs, and general PA use, the S1 Pro is the ultimate all-in-one PA, floor monitor, practice amplifier and primary music system.

At 15 lbs (6.8 kg), the ultra-portable and rugged S1 Pro is lightweight and designed to transport effortlessly using the convenient carry-handle. Perform anywhere for hours with the S1 Pro using the optional lithium-ion rechargeable battery.

The system features multiple positions that are designed to ensure that you always sound your best. So, whether you place the S1 Pro on the floor, on a table, or even mounted on a speaker stand, the system's coverage matches your specific playing application. Additionally, Auto EQ maintains optimum sound in any orientation.

The S1 Pro comes with a full-featured, 3-channel mixer with reverb, tone controls, and line-outs for connecting to other systems. Play music from your mobile device easily using Bluetooth® streaming and get great sound quickly using integrated ToneMatch® processing for microphones and acoustic guitars.

Finally, a small system that delivers on the combination of performance, portability and versatility. The Bose S1 Pro system: a true companion for nearly any event, ready to perform whenever and wherever you need it.
