

# Supporting the HVAC Contracting Community—Hurricane Harvey Relief

## TACCA and our Allied Contracting Organization Partner the Air Conditioning Contractors of America

The devastating effects of Hurricane Harvey have been felt by millions of Texans along the Texas Gulf Coast. More than 300 TACCA and ACCA contractor and affiliate members have been affected by Hurricane Harvey. These members, many of whom had employees and family who lost EVERYTHING in the storm, will be working to put their lives back together for days, weeks, months and years to come. **TACCA** is asking **EVERY Member and Contracting friend and affiliate** to help contribute to the **ACCA Disaster Relief Fund**. This Fund will help **TACCA** and **ACCA Members** to begin to re-piece their lives so that they can continue to be the strong leaders and employers that they have been for so many years within the Texas HVAC/R community. Your help is urgently needed, please contribute today to the **ACCA Disaster Relief Fund**.
