

Burnham Benefit Advisors Attend National Employee Benefit Summit

San Diego, CA

April 17-19, 2018

Burnham Benefit Advisors executive team, Mark Crawford, Tish Biesemeyer, Ian Coryea, Kory Hosler attended the 14th annual broker conference expo in San Diego, California.

The broker expo gathered leading industry practitioners creating a robust workshop designed to update brokers on future trends in health care, leading edge benefit cost strategies, and how to follow the best practices in the industry for employers within the regional and national markets.

Keynote speakers included:

Bobby Jindal- Governor of Louisiana (2008-2016)
U.S. Presidential Candidate 2016

Donna Brazile- Veteran Political Strategist
Interim Chair of the Democratic National Committee

Gurpreet Dhaliwal-Professor of Medicine, UCSF
Expert on Human Decision Making

Burnham considers this type of event to be crucial in providing their clients with a state-of-the-art benefits program, where employers are provided the best possible benefit solutions for their employees at the most competitive cost.

Headquartered in Lake Placid, NY, Burnham Benefit Advisors has been solely focused on employee benefits since 1977, specializing in brokerage, consulting, compliance, and HR services for both public and private sector employees.
