The CoC Program (24 CFR part 578) is designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by nonprofit providers, States, and local governments to quickly re-house homeless individuals, families, persons fleeing domestic violence, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless; and to optimize self-sufficiency among those experiencing homelessness.

Approximately \$1.9 billion is available in this FY 2016 CoC Program Competition NOFA. HUD may add to this amount any available funds that have been carried over or recaptured from previous fiscal years. All of the requirements in the FY 2016 application process, including requirements for the entire CoC Consolidated Application and the total amount of funding available are contained in the NOFA via the link above.
