RED RIVER BANK
A LOUISIANA COMMUNITY BANK • Member FDIC

APS supports providers with general accounting and Medicare, Medicaid and insurance billing services or consulting. Our staff's industry experience brings more to our clients than a typical third party services company. Our clients rest in the knowledge that our staff cares as much about their businesses as they do.

CRI Healthcare provides services to hospitals and health systems throughout the South. CRI also serves insurers and state Medicaid agencies, therein gaining a unique, in-depth understanding of the complicated relationship between hospitals and payers. Some hospital-specific services include financial statement audits, reviews, taxation, and IT advisory (HIPAA/HITECH, HITRUST, PCI, etc.).

Red River Bank was made in and made for Louisiana featuring personal service, local decisions, and a commitment to keep building our state. At Red River Bank you don't have to choose between technology and people—you can choose both. Branches are located in Central, NW, SE and soon SW Louisiana. Visit redriverbank.net for more information.
