WHAT WILL YOU TAKE HOME?

July 24-25, 2017

UW-Platteville

Register by 7/14

Join the brightest minds in the Badger State this summer in Platteville! This two-day event is the year's signature networking opportunity for University of Wisconsin researchers, students, administrators and industry professionals.

Registration is just \$50, plus \$15 for an evening networking event at the National Mississippi River Museum & Aquarium.

CONNECT

Collaborate with
UW System innovators

SPARK

See fascinating & diverse
research projects

GROW

Gain professional
development skills

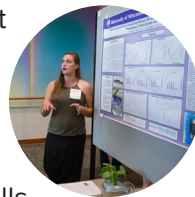

Keynote Speaker:

Doctor, former CEO and 2013 White House Champion of Change **Jeffrey E. Thompson, MD**, will headline this year's symposium.

Students:

Present your work at WSTS and compete for cash prizes, plus gain valuable statewide exposure and presentation skills.

Poster Symposium

Present academic research posters.

Innovation Showcase

Demonstrate creative and impactful student projects from diverse disciplines.

See the event webpage to learn more and submit your work.

Scholarships are available for any UW student wishing to attend WSTS 2017 and/or present their work.
