

# 10th Annual WSTS

## PRESENT YOUR RESEARCH

Showcase your research to students, faculty, administrators and community members from across the UW System at the 10th annual Wisconsin Science & Technology Symposium

- Student posters will be entered into a contest and cash prizes will be awarded to winning posters.
- Scholarships to cover the cost of the conference, including registration and lodging are available for any student wishing to attend WSTS 2017.
- For more information, please contact [info@wisys.org](mailto:info@wisys.org)

### IMPORTANT DATES:

**JULY 7**

deadline for poster submissions

**JULY 24-25**

WSTS 2017 at UW-Platteville

Hosted by WiSys Technology Foundation in partnership with UW-Platteville, WSTS 2017 will showcase research from the UW comprehensive campuses, UW-Extension and UW Colleges. WSTS stimulates innovative and entrepreneurial thinking and helps to foster new collaborative partnerships throughout the state and beyond.

**IDEAS FLY. COLLABORATIONS SPARK. WHAT WILL YOU TAKE HOME?**
