- The **Reverend Dr. Danny Murphy, General Presbyter**, gave his annual report. Dr. Murphy thanked the members of Presbytery for their service and support through a pivotal year in the life of the Presbytery. He explained that the actions taken by Trinity Presbytery early in 2017 resulted in the Presbytery facing three huge undertakings, simultaneously: (1) Engaging in an intensive, long overdue audit of our financial records, (2) Transitioning our Church Camp from Fellowship Camp and Conference Center to a 501(c)3 entity, Camping Ministries of the Carolinas, and (3) completely revamping the organizational structure of the Presbytery. Dr. Murphy reported that amid all the change and challenges of 2017, Trinity Presbytery, together, was able to accomplish many great things. Dr. Murphy's full report may be found [here](#).
- The **Reverend Dr. Chris Denny** shared with Presbytery an exciting opportunity which Dr. Murphy alluded to in his annual report. Dr. Kathryn Threadgill, Associate for Vital Congregations, Theology, Formation & Evangelism, is working with five presbyteries participating in the program. So far, 15 of our congregations have signed up to participate. Dr. Denny and Dr. Phyllis Sanders, Ruling Elder from our Northminster congregation, have received training as facilitators. Dr. Denny asked Presbytery not to focus on the word *revitalization*, but to focus on the word *vital*. He asked Presbytery to consider how we might discern where God is at work in Trinity Presbytery and how we might be strengthened to become a vital, Acts, Chapter 2, kind of Church.
