

*A message from Rev. John Cook, **UKIRK** PC(USA) Campus Director*

Churches,

We need your college students! We'd like to reach out to Trinity Presbytery students at Columbia-area colleges and universities. We can't do that, though, if we don't know who they are and where they are! Please send an email to John Cook (jcook@shandonpresbyterian.org) detailing your student's name, college, year in school, and email address. We look forward to hearing from you and reaching out to them in Christ's love and peace!
