Tips to Managing Stress during Child Abuse Prevention Month this April

It is important to learn how to manage your stress—for your own sake and for your children. The following suggestions may help: Identify what’s making you stressed. Everyone’s stressors are different. Yours might be related to money, work, your surroundings (traffic, crime), your partner, your children’s behavior, or health issues.

Accept what you cannot change. Ask yourself, “Can I do anything about it?” If the answer is no, try to focus on something else. If there is something you can do (look for a new job, for example), break it into smaller steps so it doesn’t feel overwhelming. Have faith. Look back at previous times when you have overcome challenges. Think, “This too shall pass.” Consider that people who attend church, pray regularly, or practice other forms of spirituality tend to have less stress. Relax! Try deep breathing, meditation, yoga, or listening to music. Take 30 minutes to play a board game and laugh with your kids. Take care of your health. Getting enough sleep can make a big difference in your stress level. So can eating healthy foods and getting some exercise. Take time for yourself. Take a bath, read a book, or pick up a hobby. When you can, hire a babysitter (or trade time with a friend or neighbor) and get out for a few hours. Develop a support network. Don’t be afraid to ask for help. Older children can set the table. Your spouse or partner could take over bedtime a few nights a week. Friends might pick up the kids from school to give you a break.

Remember: Learning to manage your stress will improve your happiness and show your children that they can handle stress, too!

AFFM’s Mentor Service

The Resource Family Mentor Service provides new adoptive, foster, and kinship families with encouragement, and guidance through a 1 on 1 relationship with an experienced peer. The Resource Parent Mentor is available to support, encourage, and inform new resource families to effectively partner with DHHS. The mentor will inform the family of resources and community linkages intended to strengthen and preserve the family. Mentors will also encourage recruits to take part in continuing education. AFFM is extremely thankful to current mentors for the important role they play in supporting newer families. Mentors take time from their own families and activities to ensure caregivers have an increased understanding of DHHS policy & practices, utilizing non-judgmental listening support. They also serve as a link between DHHS and AFFM. New caregivers say they appreciate the enriched feedback they receive from people who provide the insider feedback and get them in touch with others who can help. Mentors tell us, they feel valued and take pride in helping a new family learn from their experiences. Mentors say, “I wish I had a mentor when I was first starting out. I felt in the dark. I didn’t know who I could go to for quick help or to just to vent my frustrations with without feeling like I was being judged.”

Interested in being matched with a mentor? Email Jim Hatch in the Orono office jim@affm.net or Meagan Sprague in the Saco office meagan@affm.net

Kinship Corner

During AFFM’s Annual Spring Conference, on Friday April 21st 2-4pm Donna Butts & The Kinship Panel will be presenting on:

Retirement VS. Raising Grandchildren: Opiates and Options

This workshop will provide a state and national perspective about the increase in kinship care (indicatively due to the increase use of opiates). The panel will consist of kinship family advocates, a kinship parent, and a lawyer versed in kinship legal issues.

The panel will share their life experiences and provide information as to what worked well for them. During this training participants will receive guidance and resources on how to approach some of the most difficult situations experienced by kinship families.

Register for the conference today and sit in on this amazing workshop!
AFFM is partnering with DHHS District staff to hold a resource family appreciation event to recognize and say thank you for all the amazing work resource parents do for Maine’s youth in care! Keep an eye out for more information and an invite from your district soon!

“Hannaford Helps” Reusable Bag Program

AFFM is excited to have a continued partnership with the “Hannaford Helps” Reusable Bag Program. The program was developed in order to further support Hannaford’s values by making it easy for customers to contribute to their local community and support the environment. Each time the blue “Hannaford Helps” Reusable Bags were purchased at $2.29, Hannaford donated $1 to AFFM! The goal of the program is to partner with customers to support local nonprofit groups and to reduce needless paper & plastic bag use. AFFM would like to thank Hannaford for their support and to all who purchased a reusable bag. Your support is very appreciated!
