

How you can use Zoom

- You can use Zoom on your computer, iphone, android phone, or mac.
- You can use it on your desktop or your download an app on your computer or phone.
- You can listen in by landline phone as well.
- This is the simplest video on how to “join a meeting” <https://support.zoom.us/hc/en-us/articles/201362193-How-Do-I-Join-A-Meeting->

Video and Microphone

If you have a camera on your computer you can participate by video (or turn it off).

If you want to talk you must have a microphone or call in on the phone.

Here are some good basic requirements and directions

Directons [If you want to use desktop on Windows \(PC\) or Mac](#)

[You can download the app here](#) for your computer

On your phone:

On your iphone or android - download the app from the app store/google play - search for Zoom Cloud Meeting and download the app.

Once you are on the zoom class/conference/meeting - with our without video, on your phone, tablet or computer.

- Make sure you are in a relatively quiet place. If you talk to someone else when you are unmuted we can hear you.
- Consider earphones
- In a large group we will mute you.
