

Student Council Fall Philanthropy

Ronald McDonald
House Charities®
Denver

Since 1979, Ronald McDonald House® Charities of Denver has offered a loving home away from home to families needing to be near their seriously ill or injured children while they're being treated at metropolitan area hospitals.

Being alone in the hospital can be a traumatic experience, especially for children. And more than ever before, children in need of emergency treatment are being brought to Denver from rural Colorado and bordering states for expert medical care. Ronald McDonald House provides comfort to families in their time of need.
