

## HELP US STAFF CARPOOL DROP-OFF AND PICK-UP!

Due to an almost constant shortage of carpool staffing volunteers last year, we are changing our sign-up model with the hope of having a better sign-up and show-up rate to ensure the safety of our kids, volunteers and BFA staff. But we need YOU to make this work!

**Please sign up to staff carpool for ONE SHIFT PER MONTH**, on a repeating schedule. For example, you could sign up to staff the 1st Monday morning shift or the 5th Thursday afternoon shift. You will get a reminder of your upcoming commitment via SignUp Genius. Please sign up ASAP so we can plan upcoming shifts.

**Important Info:** If you already signed up at Registration for a specific shift, do NOT sign up again unless you want two shifts! If you signed up on the "Undecided" hard copy sign up form at registration, please SIGN UP AGAIN online if you want a repeating shift OR if you want to be emailed as one-time shifts become available via our Sub List. The subs will be filled with advanced notice - not last minute!

**Below are the links to three ways to sign up:**

We are managing all volunteer carpool sign ups and cancellations through Sign Up Genius this year although you still need to log your hours via HelpCounter just like last year. We strongly encourage you sign up for a shift so we know we have enough volunteers for each shift. But as a last resort, you are welcome to show up to volunteer without a reserved shift. We'll be happy to put you to work!

Thanks for your help and patience as we move to this new process. If you have questions or comments, please email me at [elizabethbillups@gmail.com](mailto:elizabethbillups@gmail.com).
