

"My program stands out because of the amazing amount of expertise and generosity of all of my coworkers. My clients are some of the most inspiring and resilient humans, and their small progresses, as well as my privilege at being a small part of their lives, make it all worth it."

- Seneca Employee, Child and Family Clinician

The **Child and Family Clinician** leads a multi-disciplinary team in supporting children who are referred through social service, probation or mental health departments. The primary goal of our program is to provide children and families with services that will ensure safety, stability, and permanency. Seneca's clinical practice model integrates attachment theory to build healthy relationships, learning theory to replace negative behaviors with positive ones, and systems theory to address environmental factors.

Responsibilities:

- Serve as the clinical lead and work with the treatment team to provide case management and other mental health services as needed in client homes, in schools, in juvenile probation placement and in the community.
- Provide non-traditional counseling, therapy, and case management services to ensure the successful transition of clients and their families to community based resources.
- Cultivate and maintain relationships with community members and providers.
- Presentations to community partners as it relates to assigned youth's treatment progress
- Facilitate treatment team meetings which can include youth, family members, community members, Probation Officers and/or Child Welfare Workers
- Participate in all treatment reviews, program staff meetings, and IEP meetings when necessary.
- Assist with planning for transportation arrangements for school, therapy appointments, and court hearings.
- Maintain timely and accurate clinical documentation and agency-assigned paperwork

Qualifications:

- Master's degree in psychology, counseling, or social work required.
- Eligible to register with the BBS
- Own vehicle, California driver's license and insurance.
- TB test clearance, fingerprinting clearance, and any other licensing or certification requirements.
- Experience in working with children in out of home care preferred
- Bilingual abilities a plus!

Compensation:

- Full time Monday- Friday
- Flexible schedule required, with the ability to work some evening and weekend hours as needed
- Participate in On-Call Crisis Response 24 hour shifts on a rotating basis

Compensation:

- Competitive salary, with an additional salary increase for bilingual (English/Spanish) abilities
- Comprehensive benefits package, including medical, dental, vision and chiropractic coverage, partially paid premiums for dependents, 5 weeks of Paid Time Off, 403b retirement plan, and employer-paid Employee Assistance program
- Excellent clinical training, individual and group supervision, and assistance towards licensure
- Yearly stipend for additional training
