

2018 FROG International Rally Registration

Here is information on registering for the 2018 FROG International Registration, and the information that you'll need to complete the registration process quickly and easily.

When does registration open?

Registration will open Tuesday, April 17, at 12:00 noon EDT.

How do I register?

Registration will be online at www.frogrally.com.

How much does it cost to attend?

The cost to attend the FROG Rally is:

Two Adults in an RV	\$600
One Adult in an RV	\$425
Additional Person Age 12 or Over *	\$175
Additional Person Under Age 12 *	Free
(* as of the FROG Rally opening date)	

How do we register for optional tours at the FROG Rally?

You can register for the optional tours when you register for the FROG Rally itself. You can also come back and register for tours later IF THEY'RE STILL AVAILABLE. There are twelve tours available with about 800 seats in total, and they tend to fill up before the rally sites fill. There will be a standby list for both the FROG Rally itself and for the optional tours. There is an additional charge for the option tours. The cost of the tours is NOT included in your Rally registration fee. All optional tours include bus transportation, all admission fees and tips, and either lunch or dinner as shown in the tour description.

We STRONGLY suggest that you look over the descriptions and pricing of the tours in advance so that you know exactly what you want when you go to the registration site.

NOTE THAT TOUR TIMES OVERLAP, so it's not possible for a person to do two of the optional tours on the same day.

What information do I need to register?

You'll be asked to provide the following information:

Parking NEEDS, if any. This is intended for medical situations that REQUIRE close-in parking or other situations. Limited mobility does not require full hookups.

How do we pay for our registration?

Our secure server accepts Visa, MasterCard, Discover, and American Express.

You can also select "Other Payment" and send a check or money order to FROG. Checks or money orders should be made payable to Forest River Owners' Group and **MUST** be received by June 1 in order to hold your reservation. All amounts shown are in U.S. funds.

Checks or money orders can be sent to Forest River Owners' Group, P.O. Box 30, Middlebury, IN 46540.

Have you tested the system on various platforms?

We've tested the registration site on multiple platforms and operating systems, BUT THAT DOESN'T MEAN THAT WE CAN GUARANTEE THAT IT WILL WORK ON YOUR SYSTEM. We can't control what configurations or blockers you might have.

We've tested successfully on a Mac Book Pro running Apple's latest High Sierra release and on Windows running both Windows 10 and Windows 7 Professional. We also ran on an I-Phone using IOS 11.2.6 and on a Samsung running Android, but I had to update my Android operating system even though the phone is only a few months old. So, if you're going to try to register on a smart phone, be sure that your operating system is completely up to date.

Browsers tested include Internet Explorer, Apple Safari, and Chrome.

How long does it take to register?

Typically it takes about five minutes if you have all of the information available and have reviewed the tours in advance. The registration system allows you 30 minutes to complete your transaction. **During that time, the tickets that you've selected are held for you and no one can come in and take them away**, so please take the time to be sure to complete the registration completely and accurately.

Will I receive a confirmation?

You'll receive a confirmation e-mail from Event Bee, our software provider, as soon as you complete your transaction. Note that it will show the Buyer's Name under the "Attendee" column on each ticket / tour that you purchase, but that's not a problem as long as you gave us each attendee's name.
