Career Development Event registration will open November 15, 2016 and close December 15, 2016. Don't miss out on this opportunity to participate in a one of a kind leadership development activity. Form a team and complete a project with 2 of your friends.

Have you already completed a project in your FCS class? Great, start working on your presentation skills to earn top honors at this year's State Leadership Conference.

We hope that you will demonstrate your outstanding leadership skills that were learned through your Family and Consumer Sciences, Education and Training or Hospitality and Tourism course and put them into action!! We would love to see how your CDE is coming along, Tweet us a photo of your project to @fcclaohio to be featured in our next newsletter!!

## 2016-17 State Project- Operation Gratitude

This year's State Project is **Operation Gratitude**! It's purpose is to say thank you to all who serve. Chapters are encouraged to incorporate this year's State Project into their chapter activities! This project can easily be turned into a Career Development Event project such as *Chapter Service Project Display* or *Advocacy*, just to name a few. Visit [OhioFCCLA.org](http://OhioFCCLA.org) to learn how your chapter can get involved in Operation gratitude!

## Career Development Event Of The Month:

**Chapter Service Project Display:** A team event that recognizes chapters who develop and implement an in-depth service project that makes a worthwhile contribution to families, schools, and communities. Students must use Family and Consumer Sciences content and skills to address and take action on a community need.

## Ohio FCCLA at FCCLA Leadership Training Recap:

FCCLA Leadership Training was recently held at the Heartland Retreat Center. Members were able to develop their communication and problem solving skills through Group Problem Solving and the Wilderness Rush challenge. Teams of FCCLA members working together to complete an outdoor obstacle course! FCCLA members also decorated 150 boxes and wrote over 300 letters. Chapters pledged to take these boxes back to their local chapters to complete and send to service men and women from their local communities.

One of the final highlights of the training was You've Got Talent competition. A big congratulations goes out to Abby Phipps from Ohio Hi-Point Career Center, Hope Brown from Middletown High School, and Tyler Butterfield from Ohio Hi-Point Career Center who were chosen to have the opportunity to perform at this year's State Leadership Conference in April!
