

FUTURE HEROES

Inspire kids to reach new heights by granting them super powers

Every day there are children all over the world fighting. Some are fighting disease while others might face poverty. Are you ready to make a difference? Our Future Heroes event provides a way for each of your teams to craft new super charged super hero identities for very deserving local children.

How It Works

We'll supply each team with basic supplies like cardboard, fasteners, and markers. You'll transform those supplies into an AMAZING Superhero Starter Kit. Your kit will contain a Mask, Cardboard Shield, wristbands, SuperHero Code (top secret) and a personal card from your team. You'll also be developing a superhero that the world has never seen before.

There are 3 phases in this challenge.

Challenge Phase - Teams complete fun TEAM challenges to earn money and supplies to complete their kits.

Design Phase - Teams will create their own Super Hero identity. Your Super Hero should embody the characteristics that a child facing adversity will need to thrive.

Pitch Phase - You will present your new Super Hero to the rest of the teams in a commercial style format. We're looking for an amazing new superhero to save the world. Is it you?

Your creations will be donated to local children in distress whether from sickness or situational. Teams will need to complete fun challenges to earn money and supplies to complete the project. It's a high energy way to make a difference in the lives of very deserving children!

The imagination is a powerful force in a child's life. Grab your team, reach deep inside, and reach out inspire some very deserving kids!
