

Mark your calendars for Saturday, August 4! In place of Vacation Bible School this summer, we are partnering with Centenary United Methodist Church in downtown Attleboro for a one-day retreat focused on the Bible story "Feeding 5000." This retreat is primarily for Kindergarten through 6<sup>th</sup> grade, but will include activities for preschoolers as well. Please invite your friends and family to join us!

Children will gather at 9 a.m. for a welcome time, then spend the day doing a variety of activities and lessons. At 4:30 p.m., we ask parents and families to gather with us for a short worship service, followed by a Potluck Barbeque. We will be looking for volunteers from both congregations to help in different capacities.

Online registration is now open!

**Participant Registration**

**Volunteer Registration**

There will be no registration fee, instead we are requesting families consider giving a freewill offering that will benefit Heifer International.
