

Colonial Carriage & Driving Society Minutes  
POT LUCK MEETING April 19, 2017

Harvey Waller opened the meeting at 8 PM after a delicious pot luck supper at Orleton Farm. The minutes of the March meeting at Devonfield we accepted as emailed.

There was no Treasurer's Report. There is money in the bank and the \$1,200 insurance bill was paid as well as some of the preliminary show expenses.

The Seminar is coming up on Saturday April 22nd, rain or shine.  
Mary Stokes Waller, Sterling Grayburn and Marc Johnson will be presenting.  
In the afternoon there will be a navigation clinic using a golf cart to go through the cones.  
The Pleasure Pace will be explained again. It was a great success in 2016 and needs to be encouraged.

In May there will be a barbecue at Orleton. Will Pat be available ?  
We will concentrate on membership.

The volunteer sign up calendar for the Horse show from June 8 to 11th will go on the website in May.  
If you have any difficulty signing up please call Laurie for help.  
The Mad Jacks Food truck is being arranged for Friday and Saturday evening.  
On Wednesday there will be Vivaldi's Pizza, Thursday the Orleton Barbecue, Friday cocktails and dinner by Mad Jacks. Food might need to be doubled. Entry into the tent has to be controlled.

The Newsletter will remind people of the new ADS vaccination requirements.  
May 8-9 there will be a phone conference with Ed to determine how much volunteer time is needed ?  
Laurie will set up the volunteer list this year from Sign up Genius.

A Cones Captain is needed. We need to focus on filling the Commercial class, Park Drag, Ride and Drive and Picnic Classes.

July Fun Event needs a theme. The Music play list is an important part of this.

The Tub Parade in 2017 will be part of the 250th Lenox celebration. It will be held on September 9th. It will be our 25th Tub Parade and it may be the last one for a while. Fifteen entries are needed. The route is very short. We need parade proof horses.

Perhaps a clinic that focuses on spook proofing would be useful.

Early cars, "brass cars 1910-19," and Big Wheel bicycles could be added to make the Tub Parade more interesting. Members were afraid that the bicycles would be too scary.

**It was Moved Seconded and Voted unanimously to invite Big Wheel bicycles and old cars to expand the Tub Parade.**

**It was Moved Seconded and Voted unanimously to dispense with membership or other charges for those participating in the Tub Parade.**

The Lenox Historic Society is planning the Lenox 250th Parade on Columbus Day Weekend. They are investigating bicycles and horses as well.

Perhaps CC&DS could try to put together a list of people who would be available to participate in parades or other events.

With no further business the meeting was adjourned.

Respectfully submitted  
Tjasa Sprague
