

**Colonial Carriage & Driving Society Minutes  
MEETING Wednesday, October 18, 2017 6:30 PM**

Harvey Waller opened the meeting after a lovely pot luck supper at Orleton Farm. The minutes of the September meeting was approved as emailed in the Newsletter.

TREASURER's report - Ann reported that there is \$2,889 in the account. She has an additional 550 to deposit. The tub parade deposit is pending. \$2,038 is supposed to come in. Rikke moved to approve the Treasurer's report. It was approved unanimously.

OLD BUSINESS The new location for the Tub Parade at BUTI was excellent. On October 7th Barry Roberts drove the Lenox fire Departments Pumper in the Lenox 250th Parade. It is a very heavy carriage and a harness problem caused one of the horses to trip and fall. Fortunately the damage was not bad and everyone is fine.

The ANNUAL CHRISTMAS PARTY will be held at the Inn at Devonfield on Sunday, December 3rd.

The ANNUAL AGENDA is being prepared. The Driving Clinic will be held on Saturday, April 21, 2018. It will focus on the Introduction to Driving in the morning and instructors will also be available to answer more advanced problems later in the day.

There was discussion about the date for the Annual meeting so it does not coincide with Jeffrey Morse's event on January 28, 2018.

Horse Show - the Omnibus listing is being done by Ann. Judges and Technical Delegate are being identified. The events schedule will be reorganized to make it easier for the participants. Save the date cards will be sent.

With no further business the meeting was adjourned at 8:00 PM.

Respectfully submitted

Tjasa Sprague
