Why or why not all gender

- Do gender segregating restrooms reinforce a fundamental difference
- What about the gender nonconforming
- What is the frequency of sexual assaults in restrooms
- What about harassment in restrooms
- How long is that line
- Safety concerns when young children are separated from parents

Who can use all gender

- Everyone can use an all gender designated restroom
- Cis – gender, gender questioning, transgender ...
- Families

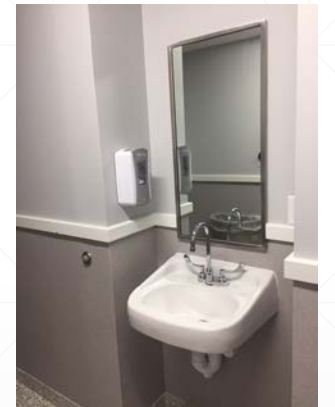

The politics of signage

Renovation or New Construction

- Building Standards & Codes: <https://www.dos.ny.gov/DCEA/>
- Buildings subject to the law it was built under
- 2018 International Plumbing Code to update signage requirements
- Occupancy
- Accessibility
- Clearance (doors)
- Required where an aggregate of 6 or more (M/F) closets are required
