## **All Students:**

- ✿ Backpack with your name clearly marked on outside.

**Note:** Some teachers will pool these supplies and hand them out to students as projects require. Other teachers will ask students to keep supplies in a binder pouch or pencil box. It is best not to write names on supplies. There may be some additional items requested by your child's teacher, please see your child's back to school packet for a list. Remember, your child will need to replenish some supplies (i.e. paper), as the year progresses.
