

January 11, 2018

Dear Parent,

We missed you at Middle School Morning today! Attached is the information that was distributed to parents who attended our event. Hopefully you will find this information useful as you look ahead to next year. This morning's event was intended to provide an overview of the Middle School program and prepare you to support your child as he or she moves into a new phase of education.

There are many changes for both you and your child ahead, and it is our desire that you are prepared as possible. I'm sure you have many questions about this transition, so please feel free to contact me. I'd be happy to answer questions by email, phone, or make an appointment to review the attached information with you and talk about how City Tree's Middle School Program can meet your child's needs.

I hope to have your child be part of our school's fantastic group of student leaders! Please also contact the office to sign your child up for Middle School Shadow Day on January 16. This event is a very valuable experience for all students as they look ahead to the middle school years.

Sincerely,

Becky Henzel
Middle School Director
