

ADVANCE WARNING of a **PLANNED POWER CUT**

We're sorry for any inconvenience caused.

On: **From** (approximately): **To** (approximately):

Everything will be done to reconnect your supply as early as possible. However, if we do encounter unexpected problems the interruption may continue for slightly longer than stated above. Please note that during this time your power may go on and off.

This is because:

In order to carry out this work safely we need to shut down the power on the date specified on this notice. We will do our best to keep the time the power is off to a minimum. Thank you in advance for your cooperation.

Any questions, please call:

Or call us 24hrs a day on:

*Calls to these numbers will cost no more than a local rate number from a mobile. If you get inclusive minutes in your mobile phone package, calls to these numbers are included.

Who are UK Power Networks?

We own and maintain your electricity cables and power lines if you live in London, the South East or East of England. We maintain and upgrade power equipment. We move and connect new electricity cables.

Please quote this reference number:

Additional Information:

Do you live in a flat, apartment or maisonette? If so please let other residents know about this planned power cut by displaying this notice prominently in the building.
