E.A. Dion, Marks Company's 50th Anniversary

ATTLEBORO, MA (January 16, 2018) – 2018 marks the 50th corporate anniversary for the E.A. Dion Company, which began in 1968 when the company founder Edward A. Dion, Sr. began producing and marketing jewelry from the back room of a plumbing supply store in Attleboro Falls, MA.

The company is now headquartered in a 30,000 square foot facility in the Attleboro Industrial Park and employees approximately 80 people.

The company, now run by Edward's sons, "Ted" Dion - President, Dennis Dion - Sr. VP of Operations and Roland Dion - Director of Manufacturing, was incorporated in 1975, and quickly developed a reputation for creativity, quality and reliability. The company continues to rely on a strong national network of independent distributors for its distribution.

The company has long been an important contributor to the Attleboro Community. In addition to numerous employee-run charitable and community activities and fundraisers, Ted is a Board Member of Bristol County Savings Bank, the Attleboro YMCA, and the United Way of Greater Attleboro/Taunton, Dennis is a Board Member of the Narragansett Council Boy Scouts of America and a member of the Saint Vincent de Paul Society Attleboro District, and Roland is an Advisory Board Member of Bristol County Community College and volunteers time with the Cub Scouts.
